Guide to Singapore Attractions

2nd Edition

The Best Souvenir from Singapore

Did you know ...

- ... That Singapore has over 100 attractions to visit?
- ... On average, we have 6 attractions for every square kilometre in the inner city?
- ... Our iconic food joints are attractions in themselves? You can't skip them

The **SAEX® Guide to Singapore Attractions** will give visitors a bigger picture of this small island. Perhaps they may be persuaded to spend more time here and discover the various gems to be found everywhere. Ironically, it's the more expensive sites that see the most visitors, while other delightful sites which cost practically nothing to visit remain unknown and unfamiliar. Thus, they remain our best kept secrets, so much so that even Singaporeans may not be familiar with them. Well, we think it's time to let the secret out. Be surprised at how much Singapore has to offer! Get the **SAEX® Guide to Singapore Attractions** and begin your journey.
